Adding vibrant colour, depth & context to our lives today by digging deep into ancient history

Presenting lively, passionate and engaging ancient history and archaeology that connects with our lives today to adults and children, academic and general public, through media, online courses, books, freelance writing, talks, tours & cruises, classes & courses, study days & workshops, interviews,

in person, in the field, on-line & in the media

Specialisms

- **Adding fresh dimensions** to topics, commenting on & providing engaging insights on news.
- **Providing rich dynamic narratives from ancient history** (especially prehistory, Greek & Roman): including origins, contrasts, human angles, pathos and triumph, human achievements, derivatives, contrasts, common humanity, inspiration, mysteries, professions & business, great locations ...
- **Relating ANY topic of modern life to the ancient world: Finding the New through the Timeless.** eg. Gardens, interior design, professions, food, art, health, nature, science, politics, society, words, philosophy ...
- **Deciphering and bringing to life archaeological eras, sites, destinations & exhibitions:** UK, Europe & Mediterranean. Ranging from Stone Age, to Bronze Age, through the Iron Age and Roman era into Anglo-Saxons and beyond.
- **Expert in ancient civilizations** including prehistory (from Orkney to the Near East) and Greeks, Romans, Phoenicians, Etruscans, Egyptians, Mediterranean islands (Malta, Cyprus, Sicily, Crete, etc).
- **Latin expert**, adding flavour and zest to our English language and to the vocabulary of every area of our modern lives. Also educating lifelong learning into the joys of Latin grammar and translation.
- **Expert in ancient art, literature & authors;** their part in ancient history and their legacy and impact on us today. Many courses explore the original Latin to fully appreciate the Roman view of their world.

Qualities

- Academically robust, clear, with a strong narrative to engage in a direct, passionate and lively manner.
- Always tailored to particular audiences, markets and/or the general reader.
- Lively, engaging, quirky & memorable. Known for joy, passionate enthusiasm & accessibility.
- Well-presented, professional, clear, and delivered on time.
- A strong following for work delivered in publications, on-line, in media and in person. (Social Media posts & blogs known to reach over 30,000 people).
- Award Winning Writer: British Library/RHS international award.
- Personal experience excavating at a multitude of archaeological sites in UK, Europe & the Mediterranean.
- Published award-winning writer.  Member of the Society of Authors.
